

# A mobile workforce

## Meeting demand with traveling tradespeople

Do you need to find highly qualified tradespeople for projects in remote locations or high-demand markets? PeopleReady Skilled Trades (PRST) can help. Available anywhere in the United States, PRST can source quality skilled workers who will travel to your projects for short or extended periods.

### A partnership that plans ahead

Build up your workforce. Staff a critical project. Control peak demand with ease. PRST will work with you to create a strategy that eliminates potential project interruptions. Then we will send tradespeople with the right skills, experience and commitment to safety to fulfill your needs.

### Dedicated team

PRST's team of traveling tradespeople are highly specialized. They understand the nature of traveling for work for an extended period of time. They are committed to working hard during the duration of their time on your project and exploring new locales in their down time.

### The PRST promise

**SPECIALIZED EXPERTISE:** Our local recruiters are experts in sourcing, screening and testing tradespeople with specialized knowledge in all phases of construction.

**QUALIFIED TRADESPEOPLE:** Every tradesperson undergoes an extensive interview process with in-depth assessments so you can be confident they will get the job done right.

**RELIABILITY:** We've honed our craft to ensure we deliver dependable, safety-minded tradespeople who show up on time with the right tools for the job.

**PEACE OF MIND:** You can depend on us to provide compliant, documented workers to drive your projects forward.
